# Homework 4

Name: _____

The Wimbledon Tennis Championships are held every year. In the men's singles championship there:

is one winner
is one runner-up
are two losing semi-finalists.

The table shows the prize money won by the top four players in 2006 and 2007.

	2006	**2007**
Winner	£655 000	£700 000
Runner-up	£327 000	£327 500
Each losing semi-finalist	£163 750	£175 000

What was the total prize money won by the top 4 players in 2007?

How much more prize money was won by the top 4 players in 2007 than in 2006?
